Dear Parents, Carers, Students & Friends,

Sunday 2<sup>nd</sup> December marked the beginning of the Church's liturgical year. Each season has its own special grace and in the Season of Advent we prepare for Christmas awaiting with expectant longing for God to be born again into our lives, our families, our Church and our world. During Advent, we are meant to take stock of our lives, to check our direction and to await with expectation the special grace that God promises to offer us at Christmas. During the Advent season, we symbolically participate in the waiting of the patriarchs, kings, prophets, and priests, as we await Christ's final and glorious return. As we wait in long lines this Advent season, or as we wait for anything really, we can remember the waiting of those expecting the Messiah, and always wait with patience, humility, and expectant hope in a state of prayer. It is difficult, but especially during Advent, waiting prayerfully and patiently, in the manner of our Lord and his blessed Mother, is not only a good spiritual discipline, but could also lower our risk of holiday induced blood pressure. It seems like we're all waiting for something, so why not use these experiences to enhance our Advent disciplines by prayerfully waiting, joining our prayers with Isaiah, Zechariah, and all the saints.

**Come Lord Jesus may we be prepared for your coming in glory.**

Semester Two School Reports will be sent home next Wednesday 12<sup>th</sup> December. In the envelope, there is a letter explaining the 5-point grading system used at OLOW for K-6. Please take the time to read through the report with your child, discussing successes and goals for 2019. Teacher interviews are available for any parent who has concerns or questions about any aspect of their child's report. Please make an appointment via the office or Skoolbag to see your child's class teacher.

An invitation is extended to all of the Our Lady of the Way community to attend our Thanksgiving Mass on Monday 17<sup>th</sup> December at 9:15am in the Church. At this time of the year, it is important to stop and give thanks for the great successes our community has shared. At this time, we will also give thanks for those families and staff who are leaving OLOW this year. We give thanks to God for each of these people and for sharing their gifts with us all.

### Prayer for the end of the school year

At the end of this school year we give thanks to God:

For all the teaching and learning that has taken place in our school,  
both in and out of the classroom,

For the talents and gifts that have been shared and the challenges that have been faced;  
For the burdens that have been lifted and the hurts that have been healed;  
For the respect and care that has been given.

We give thanks for the friendships that have just begun and for those that have grown.

For the faith that has been lived in our daily struggles,  
For the hope that has lifted our hearts on the dark days  
And for the love that has kept us going.

We give thanks for the community that we are, and we ask you Lord –  
Bless our students: may your Spirit inspire them with confidence and a love of learning;  
Bless our families: may your spirit keep them safe through the holidays and  
Leave them with memories to cherish.

Pour out your love on us that we may return renewed and refreshed to continue our journey together.

We make this prayer through Christ our Lord. Amen

## ENROLMENTS FOR 2019

We are planning for the 2019 school year and to help us with this please let the office know if your family will not be continuing at OLOW in 2019. You are reminded that concerns regarding financial difficulties is not a reason for seeking another school, as the Catholic Education Office and Our Lady of the Way can and will assist families with meeting these costs when genuine financial difficulties arise. We have healthy enrolments for all classes in 2019, with some children on waiting lists, so in fairness to these families we ask you to let us know if you are changing schools.

If you know anyone considering a Catholic school education for their child at OLOW from 2019, in any grade, please encourage them to contact the school as soon as possible to assist with planning.

## RELIGIOUS EDUCATION NEWS

Year 3 have been learning about God's Wondrous creation and how we can be stewards. In class, students presented a creative representation of the seven days of creation from Genesis. Here are a few examples:

Hi Hayley here, my experience with creating the creation story in a puppet show was probably the best time I have had in art this year. It was a time for me to share my knowledge with my teachers and peers. Here are some of my favourite lines. "And God said it was good. God's light shined down on the land. "So that is my experience with the creation story. **Hayley Burton**

*I drew a picture of all the beautiful different layers of God's creation. First there's the ocean with all types of sea creatures, the sand above it next the ground with grass and trees on top. Above that is the sky with clouds, and on top of it all is heaven where God rested.*

**Jacinta Roser**

I chose to do the creation wheel because it represents the earth and that god's love is never ending. The creation wheel is important to me because it shows that it is one story. God's creation is truly wonderful, it's a great experience. **Jake Thompson**

### ASSESSMENT FOR SUCCESS

*As educators, we assess our students in a variety of ways. The following are ways in which we use Formative assessment to know where our students are and where they need to be.*

### **INVOLVE LEARNERS IN THE PROCESS**

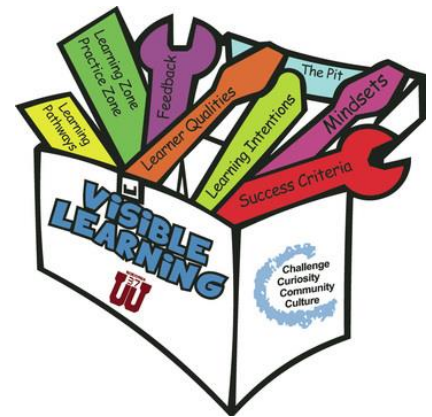

We:

- ✓ ask them to name their learning goal and tell us how they know they have met it.
- ✓ help students form habits in documenting their work, and then teach them how to self-assess.
- ✓ invite students to plot their own data, investigate the findings, and speculate the ways that will promote further successful learning.
- ✓ require students to reflect before, during, and after learning.

### **BY BECOMING VISIBLE LEARNERS**

We:

- ✓ define the learning intentions.
- ✓ determine where learners will attend to the target (success criteria) most explicitly during the learning experience.
- ✓ consider how students might make the learning relevant to this target visible and invite them to do so.
- ✓ document this learning using print, audio, and visual recordings.
- ✓ study the data gathered, looking for patterns for future success.
- ✓ use the ideas that emerge to inform our feedback, our own learning, and theirs as well.

*When we're able to assess without disrupting learning and when the learners themselves are part of every phase of the assessment process, the results can be truly amazing.*

# Host Families Wanted

**Would your family like to host a Japanese student, 24<sup>th</sup> – 29<sup>th</sup> March 2019, and enjoy a wonderful cultural exchange?**

Students are aged 13-15 years & speak some English.

What you need to provide:

a comfy bed (sharing a room is fine) 3 meals a day and daily transport to/from Our Lady of the Way School.

Families are paid \$50 per night per student for hosting.

Students attend school on weekdays and enjoy family life with you on the weekend.

If your family is interested in hosting a Japanese student (and didn't host a student in March this year) please complete an Expression of Interest Form available from the School Office or from Mrs Kate Schafer (Japanese Teacher).

If your family did host a Japanese student this year, you should already have been emailed by VS Oceania to ask if you would like to host a student again. If you have not been contacted and would like to host again, please let the Office or Mrs Schafer know.

Once you have completed the form, return it to the Office or to Mrs Schafer. You will then be contacted by the VS Oceania staff. VS Oceania is the company who are organising the visit for the Japanese students.
